Welcome to our 'Functional Fun' page! Answers to each issue's puzzles are available on our Web site at www.advanceweb.com/OT. Select "Functional Fun Games" from the "Magazine" drop-down menu on the top left side of the page.

Let us know what you think of our games by emailing managing editor Jill Glomstad at jglomstad@merion.com; just put "Games Page" in the subject line.

We're also looking for reader contributions. Any type of word game is fair game—crosswords, word searches, jumbles, even sudokus – as long as it has an occupational therapy theme. We'll even pay you \$25 if we publish it! (Expect payment four to six weeks after publication.) Just send your submissions to ADVANCE for Occupational Therapy Practitioners, Attn: Functional Fun Games, 2900 Horizon Drive, King of Prussia, PA 19406, or email them to jglomstad@merion.com. Be sure to include your name, address, credentials and a phone number and/or email address. And don't forget a copy of the answers to your puzzle! ■
