

It's time to switch gears and have some fun!

>>>welcome

Welcome to our first-ever 'Functional Fun' page! Many of you expressed interest in a games page in our 2007 Reader Survey. Answers will be available on our Web site at www.advanceweb.com/OT.

Since this is a new feature, we'd love to have your feedback. Let us know what you think by emailing us at otedit@merion.com and put "Games Page" in the subject line.

We're also looking for reader contributions for upcoming issues of the magazine. Any type of word game is fair game—crosswords, word searches, jumbles, even sudokus—as long as it has an occupational therapy theme. We'll even pay you \$25 if we publish it! Just send your submissions to ADVANCE for Occupational Therapy Practitioners, Attn: 'Functional Fun', 2900 Horizon Drive, King of Prussia, PA 19406. Be sure to include your name, address, credentials and a phone number and/or email address. And don't forget a copy of the answers to your puzzle! ■
